Coalition Peace Initiative

PROMOTE PEACE & STOP HATE

WITH TRUTH & ACCURACY

Why?

Demonization of China will not make U.S. more competitive, but it could lead to war where everyone loses.

IMPLICATIONS FOR

Chinese Americans:

Discrimination, hate crimes, fabricated espionage charges.

Americans in general: Increasing tension keeps U.S. from improving economy, infrastructure and environment, and increases possibility of war.

Educational Webinar Program on 3 Topics

WEDNESDAY, FROM 8:00-9:00PM (EDT). ALL WEBINARS ARE FREE.
